PRESS KIT

Editorial portrait · Morocco World News, 11 May 2024

Zineb Kabbaj is a French-Moroccan artist, born in 1994. After working in finance, she pursued art studies at the Sorbonne in Paris. Her practice moves between abstraction and figuration, with texture, colour and perception at its centre.

Her exhibition record includes presentations in France, London and Morocco. In 2024, her solo exhibition at Galerie Bab Lekbir in Rabat brought together painting, wooden forms and neon. She also appears in the artist list for the opening group exhibition at Myriem Himmich Gallery's Rabat space in December 2025.

THE PRACTICE

Texture, colour and shifting forms invite a closer look. Moving between painting, sculpture and light, Kabbaj's practice explores uncertainty and the possibilities that emerge when perception changes.
